

GAME ON: BURGERS 'N' BREWS

Minne Monesse Golf Course

BrickStone Brewery

DAY 1:

Tee up your day on the links at one of Kankakee County's many golf courses. Our affordable courses offer everything from majestic views of the Kankakee River to challenging rolling hills. Once you finish your round,

head on over to **BrickStone Brewery** for a quick bite. Named as an Illinois Made Maker, this award-winning craft brewery has built a reputation as one of the region's finest beer....and has a great menu.

It's time to stretch your legs at the **Kankakee River State Park**, a 5,000-acre park that envelopes both sides of the Kankakee River for 11 miles. Outdoor enthusiasts can take in the views of limestone canyons and waterfalls along the trails or on a kayak or canoe trip with **Reed's Canoe Trips**.

Check in at the hotel and then enjoy dinner at a local Kankakee County restaurant. **Copeland's Bar & Grill** serves up a delicious burger, but their prime rib sliders are not to be missed! They also offer an extensive list of brews as well as many alcohol-free options.

DAY 2:

Rise and shine, it's time to check out the **Kankakee Farmers' Market!** This popular market offers guests live music while strolling the farm stands for local produce and goods.

If you brought your bike (hint hint, you should!), pedal your way to the **B. Harley Bradley House**, nestled on the banks of the Kankakee River. The home is a featured stop on Illinois' Frank Lloyd Wright Trail and is Wright's first Prairie Style creation. While you are in the **Riverview Historic District**, cruise along the tree-lined streets and enjoy viewing the beautiful homes. Quench your thirst at **Grapes & Hops** or **Knack Brewing & Fermentations**, both have extensive options for every palette.

If you time it right, your group can jam out at **Merchant Street MusicFest** held every July at **Harold and Jean Miner Festival Square** adjacent to the historic **Kankakee Depot**. The fest features local, regional and national musical talent on multiple stages, art vendors, exhibits and plenty of food and drink. Otherwise, snag a burger (don't forget the tater tots!) or a gourmet chicken sandwich at **Burgers & Beer** and then test your pool and dart skills at **Bradley Billiard Club**.

Feeling exhausted from a long day of fun? Head back to the hotel for a peaceful night's rest.

We can customize the Game On: Burgers 'n Brews group tour to fit any time frame from a half day to 3 days.

DAY 3:

Fuel up with a delicious breakfast at **Hoppy Pig** before challenging your buddies to a game of disc golf at **Willowhaven Park & Nature Center**. Or, spend the day treasure hunting for fine vintage antiques and collectibles. There's so much more to do in Kankakee County, we look forward to seeing you on your next adventure!
