We can customize the Game On: Burgers 'n Brews group tour to fit any time frame from a half day to 3 days.

### DAY ONE

Begin the day at **Chicago Bears Training Camp** on the beautiful campus of **Olivet Nazarene University**. With no admission fee, groups on a budget can join in on the fun! When the final whistle blows, head on over to **BrickStone Brewery** for a quick bite. Recently named an Illinois Made Maker, this award-winning craft brewery has built a reputation as one of the region's finest beer... and has a great menu.

It's time to stretch your legs at the **Kankakee River State Park**, a 4,000-acre park that envelopes both sides of the Kankakee River for 11 miles. Outdoor enthusiasts can take in the views of limestone canyons and waterfalls along the trails or on a float trip with **Reed's Canoe Trips**. Bring your boots to explore the park by horseback. Check in at the hotel and enjoy dinner at a local Kankakee County restaurant. **The Bennett-Curtis House Murder Mystery Theater** is a great dinner option.

### DAY TWO

Football fans get your day started at **Chicago Bears Training Camp**, otherwise head to the **Kankakee Farmers' Market**. This popular market offers guests live music while strolling the

farm stands for local produce and goods. From there, rent a bicycle at the **Bike 609** station located near the market.

Pedal your way to the **B. Harley Bradley House** nestled on the banks of the Kankakee River. The home is a featured stop on Illinois' Frank Lloyd Wright Trail and is one of Wright's earliest Prairie Style creations.

While you are in the **Riverview Historic District** enjoy a tour of the beautiful homes by bicycle or take in a one- or two-hour electric boat tour.

If you time it right, your group can jam out at **Merchant Street MusicFest** held every July at the historic **Kankakee Depot**. The fest features local, regional and national musical talent on three stages, art vendors and plenty of food and drink.

Feeling exhausted from a long day of fun? Head back to the hotel for a peaceful night's rest.

### DAY THREE

Before leaving Kankakee County, hit the links at one of our lush golf courses or spend the day treasure hunting for fine vintage antiques and collectibles.
