

Paddletastic Adventure on the Kankakee River!

Splash into action with a day of fun filled activities! Wake up well rested and rearing to go in one of Kankakee County's many excellent hotels. Get energized with breakfast from Lydia's & Groucho's Coffee Shop and Deli and get ready to go!

Head over to Reed's Canoe Rentals and prepare to explore the great outdoors up close and personal! The Kankakee River unveils its splendor, leisurely winding around scenic river banks filled with nature's beauty. Observe the active wildlife in the area as songbirds serenade you along the trip. If you're lucky enough you might even catch a glimpse of an eagle soaring high above the trees.

Take a break for a picnic lunch near the Indian Caves in Perry Farms. Drag your canoe on shore and relax, soaking in the same natural beauty that French explorer LaSalle did over almost 300 years ago. Embrace your wild side and adventure through the caves, climbing through cool ravines and over fallen rocks.

When your taste for adventure is fully fed, hop back into your canoe and continue down the river. Let the relaxed current carry you along some of the most beautiful sceneries in the Midwest. Run your fingers through crystal clear waters and pick up a sparkling pebble as a memento of this wonderful trip.

When the canoe adventure is over, and the Reed's driver has dropped you back at your car, head over to Brickstone Restaurant and Brewery to ease the appetite you've worked up. Then, grab some ice cream at the Dairy Queen and make your way to Hidden Cove, where the fun never stops!

As you head back to your hotel after a few rounds of mini golf take that pebble out of your pocket and reflect on all the fun this day held! Then get some sleep, there is so much more to be explored tomorrow!
