

Kankakee County *Convention & Visitors Bureau*

Destination Clinic Enrollment Form

KCCVB will offer clinics to employees at Kankakee County lodging properties and other front line employees at local businesses. In addition to learning some basics about hospitality, participants will learn specific destination information that will help them gain more knowledge about Kankakee County's assets and tools that are available to them to serve their guests in the best way possible.

Clinics will last no longer than one hour, and are free! We will be also be doing giveaways, so come ready to learn and win!
