Kankakee County has been forced to address the rough economic conditions that have been sweeping the country, as such out business and labor communities need all the help they can get from the state to face these unique challenges. Please join community members for the Kankakee County Economic Development Summit to be held at the Bourbonnais Municipal Building (community room), 700 Main Street NW, on Wednesday, September 8th, 2004 at 7:00pm.

This summit is an opportunity to address the challenges facing the business community in Kankakee County. Current issues will be addressed by local panelist, such as, the current business climate and status, and the expectations for the future. Other topics will include, possible problems that local businesses or industry may be facing, and possible solutions to those challenges.

If you have any questions, please feel free to contact Careen Gordon (815-634-3096) or Lisa Dugan (815-939-1983).
