Whether you are a small business or a large corporation, we hope that you will take advantage of this great advertising opportunity.

The Kankakee County Training Center Foundation Board would like to invite you to participate in one of our biggest events this year – The Tommy Dorsey Orchestra concert. The concert, featuring the legendary Buddy Morrow, will perform on October 10, 2004 at Kresge Auditorium, Olivet Nazarene University in Bourbonnais, IL. The proceeds from this event will assist over 250 adults with developmental disabilities through the program and services the organization provides.

The Kankakee County Training Center is asking for your help. Ad space is available in the program booklet. A large audience who will be traveling with a 50-mile radius to attend the benefit concert will see the ad. KCTC hopes the audience will patronize your business or organization. When the concert ends at 5:00pm, many people will remain in the community to eat or shop. If you are a restaurant, perhaps your business could offer a special coupon for shopping for that day or during the week. There are many possibilities. Remember, not only do you have the opportunity to have your business recognized by many people, by you will also be helping a great organization provide more services and programs to our consumers at KCTC.
