Harbor House is a safe haven for abused women. Anytime of day or night the door is open for battered and abused women. Food, clothing, personal items, cleaning products, beds, and counseling are given to all who have the courage to tell their story.

Prospect Finders of Kankakee County and Harbor House need your help with collecting cleaning products and paper goods for the shelter. Bring paper goods to the golf outing; there will be a collection at the door.

Come out and show your colors of red, white, and blue. Join us for a fun filled day of golf!
