Leo Ciaccio – Aspen Ridge

With high expectations for the 2004 Kankakee County Men's Amateur Golf Championship, the committee would like to reach out to the community for sponsorship. This is Kankakee County's most prestigious amateur tournament and is an opportunity for sponsors to support the great game of golf in our county. The tournament will be held on September 18 and 19, 2004 at the South Shore Golf Course in Momence.

The Kankakee County Amateur's success has allowed the committee to contribute significant proceeds to promoting the continued growth of junior golf in Kankakee County. Recently in recognition of our contribution, the Jim Marek Memorial Junior Tournament was renamed, and is now known as the Jim Marek Memorial Junior County Amateur.

The Kankakee County Amateur Golf Association has created an exciting professionally run tournament atmosphere. The group's success is NOT POSSIBLE without community support. As a result of sponsorships the group will be committed to continuing youth golf programs throughout Kankakee County.
