There will be an official Groundbreaking for the Kankakee Valley Park District's new Ice Arena and Fitness Center TODAY at 4:00pm, at the construction site.

The new, yet-to-be-named facility will be built just south and east of the main parking lot of the Kankakee Community College, just off River Road in Kankakee, Illinois. The new building is being constructed with Illinois First dollars directed to the community with the help of our former Governor George H. Ryan.

Governor Ryan is scheduled to speak at the groundbreaking event, as well as, other local officials involved with the project.

A reception will be held at the site immediately afterward. The public is invited to attend, and is asked to RSVP - although the deadline has passed as this email is being sent - RSVP by Friday, October 1 to 815-939-1311 or by email to [jschatz@kvpd.com](mailto:jschatz@kvpd.com).
